Case No. 800-2017-030568

12 DON DONGCHEUL CHO, M.D.
12614 Oland Street
13 Norwalk, CA 90650-7334

**STIPULATED SURRENDER OF
LICENSE AND ORDER**

14 Physician's and Surgeon's Certificate
No. A 40341,

15 Respondent.
16

17
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board
22 of California (Board). She brought this action solely in her official capacity and is represented in
23 this matter by Xavier Becerra, Attorney General of the State of California, by Chris Leong,
24 Deputy Attorney General.

25 2. Don Dongcheul Cho, M.D. (Respondent) is representing himself in this proceeding
26 and has chosen not to exercise his right to be represented by counsel.

27 3. On or about August 15, 1983, the Board issued Physician's and Surgeon's Certificate
28 No. A 40341 to Respondent. The Physician's and Surgeon's Certificate was in full force and

1 effect at all times relevant to the charges brought in Accusation No. 800-2017-030568 and will
2 expire on February 28, 2019, unless renewed.

3 **JURISDICTION**

4 4. Accusation No. 800-2017-030568 was filed before the Board, and is currently
5 pending against Respondent. The Accusation and all other statutorily required documents were
6 properly served on Respondent on February 15, 2019. Respondent timely filed his Notice of
7 Defense contesting the Accusation. A copy of Accusation No. 800-2017-030568 is attached as
8 Exhibit A and is incorporated by reference.

9 **ADVISEMENT AND WAIVERS**

10 5. Respondent has carefully read, and understands the charges and allegations in
11 Accusation No. 800-2017-030568. Respondent also has carefully read, and understands the
12 effects of this Stipulated Surrender of License and Order.

13 6. Respondent is fully aware of his legal rights in this matter, including the right to a
14 hearing on the charges and allegations in the Accusation; the right to be represented by counsel, at
15 his own expense; the right to confront and cross-examine the witnesses against him; the right to
16 present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel
17 the attendance of witnesses and the production of documents; the right to reconsideration and
18 court review of an adverse decision; and all other rights accorded by the California
19 Administrative Procedure Act and other applicable laws.

20 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
21 every right set forth above.

22 **CULPABILITY**

23 8. Respondent understands that the charges and allegations in Accusation
24 No. 800-2017-030568, if proven at a hearing, constitute cause for imposing discipline upon his
25 Physician's and Surgeon's Certificate.

26 9. For the purpose of resolving the Accusation without the expense and uncertainty of
27 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a prima
28 facia case for the charges in the Accusation and that those charges constitute cause for discipline.

1 Respondent hereby gives up his right to contest that cause for discipline exists based on those
2 charges.

3 10. Respondent understands that by signing this stipulation he enables the Board to issue
4 an order accepting the surrender of his Physician's and Surgeon's Certificate without further
5 process.

6 CONTINGENCY

7 11. This stipulation shall be subject to approval by the Board. Respondent understands
8 and agrees that counsel for Complainant and the staff of the Board may communicate directly
9 with the Board regarding this stipulation and surrender, without notice to or participation by
10 Respondent. By signing the stipulation, Respondent understands and agrees that he may not
11 withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers
12 and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the
13 Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this
14 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
15 be disqualified from further action by having considered this matter.

16 12. The parties understand and agree that Portable Document Format (PDF) and facsimile
17 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures
18 thereto, shall have the same force and effect as the originals.

19 13. In consideration of the foregoing admissions and stipulations, the parties agree that
20 the Board may, without further notice or formal proceeding, issue and enter the following Order:

21 ORDER

22 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 40341, issued
23 to Respondent Don Dongcheul Cho, M.D., is surrendered and accepted by the Board.

24 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the
25 acceptance of the surrendered license by the Board shall constitute the imposition of discipline
26 against Respondent. This stipulation constitutes a record of the discipline and shall become a part
27 of Respondent's license history with the Board.

JURISDICTION

3. This Accusation is brought before the Board under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the cost of probation monitoring, or such other action taken, in relation to discipline as the Board deems proper.

5. Section 820 of the Code states:

"Whenever it appears that any person holding a license, certificate or permit under this division or under any initiative act referred to in this division may be unable to practice his or her profession safely because the licentiate's ability to practice is impaired due to mental illness, or physical illness affecting competency, the licensing agency may order the licentiate to be examined by one or more physicians and surgeons or psychologists designated by the agency. The report of the examiners shall be made available to the licentiate and may be received as direct evidence in proceedings conducted pursuant to Section 822."

6. Section 822 of the Code states, in pertinent part:

"If a licensing agency determines that its licentiate's ability to practice his or her profession safely is impaired because the licentiate is mentally ill, or physically ill affecting competency, the licensing agency may take action by any one of the following methods:

"(a) Revoking the licentiate's certificate or license.

"(b) Suspending the licentiate's right to practice.

"(c) Placing the licentiate on probation.

"(d) Taking such other action in relation to the licentiate as the licensing agency in its discretion deems proper.

"The licensing agency shall not reinstate a revoked or suspended certificate or license until it has received competent evidence of the absence or control of the condition which caused its action and until it is satisfied that with due regard for the public health and safety the

1 person's right to practice his or her profession may be reinstated."

2 7. Section 824 of the Code states: "The licensing agency may proceed against a
3 licentiate under Sections 820, or 822, or both."

4 8. Section 825 of the Code states: "As used in this article with reference to persons
5 holding licenses as physicians and surgeons, 'licensing agency' means a panel of the Division of
6 Medical Quality."¹

7 9. Section 826 of the Code states: "The proceedings under Sections 821 and 822 shall be
8 conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division
9 3 of Title 2 of the Government Code, and the licensing agency and the licentiate shall have all the
10 rights and powers granted therein. As used in this article with reference to persons holding
11 licenses as physicians and surgeons, 'licensing agency' means a panel of the Division of medical
12 Quality."

13 **CAUSE FOR DISCIPLINE**

14 (Mental Condition Affecting Ability to Practice Medicine)

15 10. Respondent is subject to disciplinary action pursuant to section 822 of the Code in
16 that his ability to practice medicine safely is impaired because of a mental condition, affecting his
17 competency.

18 11. On July 17, 2017, Respondent was interviewed by an investigator and a medical
19 consultant. During the interview, Respondent demonstrated memory lapses and other alarming
20 behavior such as inability to focus and concentrate, and demonstrated confusion. For example, he
21 was unable to answer simple questions such as the ages of his children and the names of the
22 schools he attended.

23 12. On September 17, 2018, a Petition to Compel the Mental and Physical Examination
24 of Respondent was filed in Case No. 800-2017-030568. On October 10, 2018, the Board issued
25 an Order Compelling Respondent to undergo mental and physical examinations, including
26 psychological testing, by a psychologist and/or by one or more physicians and surgeons in order
27

28 ¹ Pursuant to Business and Professions Code section 2002, references to the Division of
Medical Quality are deemed to refer to the Board.

1 to determine whether he is impaired due to a physical and/or mental illness that affects his
2 competency to safely practice medicine, pursuant to Business and Professions Code section 820.

3 13. On October 19, 2018, Respondent underwent a Comprehensive Psychiatric
4 Evaluation, which included psychological testing, by Dr. N.L. On October 22, 2018, Dr. N.L, a
5 Board certified specialist in psychiatry and neurology, opined that Respondent suffers from a
6 severe cognitive impairment (Unspecified Neurocognitive Disorder, Severe). Dr. N.L. opined in
7 part that:

8 "ASSESSMENT:

9 "...my evaluation is indicative that **he suffers from severe cognitive**
10 **impairment.** The cognitive screening administered (Folstein Mini Mental Status
11 Examination) indicated severe cognitive impairment. Moreover, my mental status
12 examination is indicative of persistent memory problems, an inability to focus and
13 concentrate and confusion.... Also he displays behaviors that are commonly found in
14 individuals with dementia.

15 "...As such, following current nomenclature of the DSM-5, I would offer an
16 unspecific **diagnosis of Unspecified Neurocognitive Disorder, Severe.** This is the type
17 of diagnostic assessment made when the cognitive impairments are notable and easily
18 quantifiable as they are severe, but the etiology is unclear.

19 "...**Considering his severe cognitive impairment, I do not believe in his**
20 **current mental state he has the ability to safely engage in the practice of medicine."**
21 (Emphasis added.)

22 14. Dr. N.L. concluded that Respondent cannot practice medicine safely and competently
23 due to Respondent having severe cognitive impairment, persistent memory problems, and
24 behaviors that are found in individuals with dementia.
